

Complaints Procedures

1) Introduction

- a) These procedures provide an overview of the way in which CAVC deals with complaints made about its staff, services or students.
- b) It is intended for use by CAVC learners; parents/guardians of learners; carers of learners; employers; former learners and members of the public. Employees or former employees should use the College's Grievance Policy and Procedure.
- c) Parents and guardians can make a complaint on behalf of a learner under the age of 18, or who is a vulnerable adult. No investigation of a complaint made on behalf of a learner will be undertaken without that learner's written agreement to the concerns raised and written consent for an investigation to be carried out.
- d) Officers of the Students' Union may also bring complaints on behalf of learners, with the written agreement of the learner.
- e) Learners who are dissatisfied with the outcomes of internal assessments should use the College's Assessment Appeals Procedures, not the Complaints Procedures. Other procedures shall apply where learners are dissatisfied with the outcomes of external assessments.
- f) For practical reasons, normally no action will be taken in the event of a complaint being made anonymously. There may, however, be exceptional circumstances where the college deems it appropriate to take action or investigate a matter on the basis of an anonymous complaint e.g. relating to Safeguarding. Any decision to do so must be agreed by the Associate Director of Quality.
- g) Complaints will be handled with sensitivity and have due regard to the confidentiality of learners, staff and others involved. A member of staff referred to in a complaint will (and any learner named may) be made aware of the substance of the complaint and may receive a copy of the complaint, provided they first agree to treat the complaint confidentially. Such a third party to whom the complaint is provided may have a right of reply as part of any investigation. When dealing with a complaint, it will normally be necessary to discuss and liaise with College personnel and learners.
- h) Where a complaint involves allegations of criminal conduct, the College will consider whether it would be more appropriate to suspend its internal procedures for dealing with that complaint, pending the outcome of any police investigation.

- i) Complaints that are deemed to be of a serious nature may go straight to Stage 2. The final decision on this rests with the Associate Director of Quality. Examples of a serious complaint are outlined in Appendix A.
- j) No learner bringing a complaint under these Procedures, whether successfully or otherwise, will be treated less favorably by any member of staff moving forwards after the complaint has been closed.
- k) These Complaints Procedures take effect from February 2016 and supersede all previous Complaints Procedures.

2) Timescales

- a) In order to help us to investigate and resolve any areas of dissatisfaction, you should notify us of your complaint at Stage 1 "Informal" immediately upon the occurrence of the event you complain of and in any event no later than 3 months of its occurrence.
- b) Complaints made at Stage 2 Formal must be made within 1 month of exhausting Stage 1 of the complaints procedure.
- c) Complaints made at Stage 3 Appeal must be made within 10 working days of exhausting Stage 2 of the complaints procedure. (A flowchart detailing each stage can be located in Appendix B)

3) Enquiries

- a) Complaints that are deemed to be an "enquiry" which can be easily answered by a member of staff will not normally be considered under the Complaints Procedure. Appendix A makes the distinction between an enquiry and an informal complaint.

4) Stage 1 – "Informal" (in writing/verbal)

- a) It is advised that you always try and resolve the issue informally, which is why we ask you to follow Stage 1 "Informal" before making a formal complaint. We ask you, before using the formal procedure, to talk directly about your dissatisfaction with the individual(s) most involved, to see if an informal resolution is possible. When you submit a complaint at Stage 1, we will arrange for the relevant Head of Department to work with you to attempt to resolve your complaint.
- b) Only if these measures fail to reach a satisfactory conclusion should you move to Stage 2 and register a formal complaint.

Revision Number:	6
Revision Date:	February 2017

5) Stage 2 - Formal

- a) Where your complaint is not resolved informally to your satisfaction, then you should put your complaint in writing for the attention of the Associate Director of Quality at Unit 1-2 Cooper's Yard, Curran Road, Cardiff, CF10 5NB.
- b) If you write to any other member of the College staff, they will forward your letter to the Associate Director of Quality.
- c) When a formal complaint is made via the Associate Director of Quality, the College will write to you to acknowledge receipt of your complaint within 5 working days of receiving it.
- d) The timescale for dealing with complaints is normally within 20 working days, following the acknowledgement of your written complaint. During this time you may be invited to come in to College and discuss the complaint further.
- e) On receipt of a complaint the Associate Director of Quality will arrange a meeting with the Quality Officer to discuss the complaint and to appoint an appropriate member of College staff as the 'investigating officer' to complete the formal investigation process.
- f) In investigating the complaint the 'Investigating Officer' may consider documents and meet with individuals at his or her discretion.

The Investigating Officer may decide to hold a meeting with you in order to gather more information regarding the complaint. Should this be the case you are permitted to bring one other person with you (such as a friend, relative or Union representative).

The person who accompanies the complainant should not be a solicitor acting in a professional capacity.

If you wish to bring another person to the meeting you should inform the Investigating Officer beforehand. The College will have a member of staff at the meeting who will take minutes.

- g) The Investigating Officer may in her/his sole discretion invite other individuals to attend the Investigation Meeting, as s/he considers appropriate. The College will notify you of any such individuals at least two days in advance of the Investigation Meeting.
- h) The results of the investigation will be forwarded as a written report to the Associate Director of Quality and an agreement will be reached on a formal response to the Complainant. If, as part of the investigation the investigating officer and the Associate Director of Quality decide that the complaint needs to be referred to the HR department, all relevant employment laws will be considered.

- i) Where related to Equality and Diversity issues, a meeting of the Equal Opportunities Sub Group Committee will be called to discuss the final investigation report and outcomes.
- j) The Associate Director of Quality will then write to the Complainant with a summary of the outcome of the complaint. If deemed appropriate the College will make amends for the cause of the complaint. An action plan will be drawn up outlining lessons learnt from the complaint in order to prevent the situation arising again. If your complaint is found to be unjustified/unfounded, the College will provide an explanation for arriving at this decision.
- k) In drawing up a response the College will be mindful of acting consistently with the College's duties of confidentiality and Data Protection legislation.
- l) Our target is that you will receive a written response within 5 working days after completion of the investigation, but if any delay is likely, then you will be informed of progress and a likely timescale for a response to be received.

6) Stage 3 (Appeals)

- a) If you wish to appeal against a decision made at Stage 2 of the Learner Complaints Procedure because you are not satisfied with the outcome of the consideration of your complaint, then you may appeal to the Principal, subject to the provisos set out below.
- b) If you are not satisfied with the outcome or any action taken relating to your complaint, you may request a review on one or more of the following grounds:
 - i) this Learner Complaints Procedure was not complied with in investigating the complaint.
 - ii) further evidence of a material nature has become available which was not reasonably available when the complaint was initially investigated.
 - iii) the outcome of the investigation process was plainly unreasonable and/or any action taken as a result of that outcome was disproportionate.
- c) Your appeal must be received within 10 working days of receiving the College response to your written complaint. Your appeal letter should outline the reasons why you are requesting an appeal (see point b above). You should enclose with your appeal copies of all the documents upon which you wish to rely.
- d) The Associate Director of Quality / Deputy Principal Curriculum and Quality will consider your

You will be informed of this in writing within 10 working days of the College receiving the appeal.

- e) If the Associate Director of Quality / Deputy Principal Curriculum and Quality decides that your request for an appeal discloses one or more of the grounds set out above, he/she or his/her designated representative will carry out an investigation of the process previously followed in investigating your complaint.
- f) In coming to a decision on the appeal, the Associate Director of Quality/ Deputy Principal Curriculum and Quality may consider as appropriate documents relating to the complaint and the information provided in your request for an appeal and may, in his discretion, also hold a Review Panel to which you will be invited in order to gather more information before making a decision on the appeal.
- g) If the Associate Director of Quality/ Deputy Principal Curriculum and Quality decides to hold a Review Meeting with you, you are permitted to bring one other person with you (such as a friend, relative or Union representative). If you want to bring another person to the Review Panel, you should inform the Principal or her/his representative three working days in advance of the Review Meeting.
- h) The Review Meeting will consist of the Principal or his designated representative, a member of the College Senior Management Team and if requested a member of the Students' Union Executive or nominee. In considering the composition of the Review Panel, regard will be given to considerations of diversity.
- i) Subject to first obtaining the College's prior consent, if you have particular requirements (e.g. English as a second language, a learning difficulty and/or disability), you may arrange for another person to accompany you at the Review Panel. - l) The results of the Appeal process will be forwarded as a written report to the Associate Director of Quality who will then write to you with a summary of the outcome of the Appeal process and any actions that are to be taken by the College. In drawing up a response the College will be mindful of acting consistently with the College's duties of confidentiality and Data Protection legislation.
- m) Our target is that you will receive a written response 10 working days after the review panel has taken place, but if any delay is likely, then you will be informed of progress and a likely timescale for a response to be received.

7) Higher Education Complaints

- a) If a complaint is made in relation to any Higher Education course being delivered by the College then this will be dealt with in accordance to the requirements of the partner university. Appendix C outlines the procedure the College will follow, depending on which partner university your course is affiliated with.
- b) If you are dissatisfied with the conclusion of your complaint relating to your Higher Education course then you have the right to complain to the OIA (Office of the Independent Adjudicator). The College will send you a Completion of Procedures letter, which provides guidelines to you on how to complain to the OIA. The OIA is an independent review body, external to the university which looks at issues such as whether the university has followed its procedures, whether these procedures were reasonable and whether the university's final decision was reasonable in all the circumstances. The OIA cannot normally look at complaints:
